### SYNOPSIS

Proposal by **Cutting Edge Inn**ertainment to provide entertainment in the form of a fully-realized show including **recorded announcer introduction, background music, costume, props, specialized dangerous feats, scripted dialogue**, and **inspirational Christian message** for church denominational events, youth/adult programs, and **Upward Award Celebrations**.

### OVERVIEW

**Cutting Edge Inn**ertainment presents a professional, wholesome, family-oriented contemporary version of the classic sword swallowing and fire-eating shows once found on stages around the country up into the 1950s, now geared towards youth conferences, churches, **Upward Awards night** programs, **Christian artist tours**, and other **Christian youth/adult events**.

### METHOD

*"Dan's show is like a cross between **COMEDY** and **MAGIC**, except it's **ALL REAL** and **ALL AMAZING!**"*

So is it **ENTERTAINMENT** or **MINISTRY**? Or **BOTH**?

How can he combine **Sword Swallowing** with a **Christian message**?

### Cutting Edge *Inn*ertainment

**ENTERTAINMENT** with an **EDGE**  
a **MESSAGE** with a **POINT!**

**Cutting Edge Inn**ertainment combines both **ENTERTAINMENT AND MINISTRY** in the same program. Permit us to use the metaphor of a sword to explain it:

**Cutting Edge Inn**ertainment strikes like a double-edged sword with a 1-2 cut -

**1) ENTERTAINMENT** with an **EDGE** -

On the **front edge**, it's **SHARP** and **FLASHY** cutting edge **ENTERTAINMENT** that **catches the eye** and puts the audience on the **EDGE** of their seats!

**2) MESSAGE** with a **POINT** -

On a **deeper level**, it's **Cutting Edge INN**ertainment, a **penetrating message** that

- **CUTS** to the **POINT**,
- **PIERCES** to the **HEART**,
- **STICKS** in the **MIND**,
- and leaves a **LASTING IMPRESSION**

It's the **Cutting Edge INN**ertainment that gets them **OUT** of their seats!

Presenting the most dangerous and bizarre feats with **wit, charm** and **style**, **Dan Meyer** not only **engages the mind**, but **pierces deep** into the **hearts** of the audience to create the most **personal** and **profound** type of experience. This unique ministry reaches a wide audience across a broad spectrum that other ministries might not be able to reach, from youth to yuppies, teens to seniors, Goth rockers to bikers, including those who might never step foot in a church.

Call him an **entertainer**. Call him an **inspirational speaker**. Call him an **extreme performer**. **Ripley's Believe It or Not** calls him...

*"...one of the **TOP sword swallows in the world!**"*

# THE SHOW

## THE SHOW

The *Cutting Edge Innertainment* Upward Awards night/Christian Youth show features **REAL shocking feats** combined with **comedy** and **audience participation** where Dan recruits volunteers from the audience so **everyone feels like part of the show**. Dan performs **extreme feats** such as **fire-eating**, the **human blockhead**, and the ancient art of **sword swallowing** in a **professional family-oriented stage show** designed to be **compelling, educational, motivational, inspirational, and UNFORGETTABLE** with just the right touch of **comedy** to keep it **fun** and **entertaining!**

## FEATS VS. TRICKS

*Cutting Edge Innertainment* is **NOT** a magic act. There are **NO** tricks, illusions, cheats or gaffs used during performances.\* While **safety** is of the highest priority and Dan has undergone years of specialized training to master the physical feats and stunts he demonstrates in each show, there is still a very real danger present in each show. While it is this element of danger that makes the show exciting for the audience, **CEI** works closely with safety officials to maintain a safe environment for performer and audience alike. (\*Gaffs such as telescoping or curl-up swords may be used to expose them, but the bulk of the show consists of real physical feats and stunts using real objects).

## THE PERFORMANCE

A *Cutting Edge Innertainment* show is specifically designed for **youth** and young **adults** with **Upward** and other Christian themes in mind. Once Dan has captured the audience's undivided attention with his extreme form of "**innertainment**," he then takes the audience on a journey from **non-belief** to **belief**, presenting the **Gospel** message clearly and effectively to children and adults alike. Audience members often claim that Dan's show and message **impact** their lives in **profound** and **unforgettable** ways.

The material is **fast-paced**, highly **interactive**, and has a decidedly "**dangerous**" edge to it. This keeps the audience on the **edge of their seats**, wanting to see more. Audiences **laugh**. They **cheer**. They **catch their breath in amazement**. They **gasps, squirm**, and **cover their eyes**. They use terms like "**freaked out**" and "**crazy**" to describe the show. There's **music**, there's **movement**, and there's a lot to keep you on your toes.

## AUDIENCE DEMOGRAPHICS

A *Cutting Edge Innertainment* show is a **clean, wholesome**, and **professional** family show specifically designed for **youth** and **young adults**, but also designed to be enjoyed by **all ages**, from **children** to **seniors**. While moments of the show are suspenseful, the show employs **comedy** throughout to ease the tension and make the show **fun, entertaining** and **enjoyable** for the entire audience.

## AUDIENCE PARTICIPATION

While following a **fully-scripted outline**, Dan employs **years of experience** in **improvisation** in order to interact with the audience during the show. Dan often employs **audience participation** onstage where the **volunteer** becomes the **star**, but **NO** audience member is **EVER** placed in danger whatsoever, and **NEVER** made fun of or belittled.

# THE PERFORMANCE

## SHOW DEVELOPMENT

Acts are strategically placed in a specific show order to create a “roller-coaster” experience intentionally designed to make the audience **SQUIRM**, then **LAUGH**, then **THINK**.

- **Less dangerous acts** help build **tension** and **suspense** to more dangerous feats
- **Comedic acts** and **audience participation** create **laughs** and **relieve the tension**
- **More dangerous feats** keep the audience on the **edge of their seats**
- **Thought-provoking message impacts hearts**, and the
- **Finale** provides the **climax**

## MODULES

The *Cutting Edge Innertainment* Upward show is typically presented in **modular sections**:

- A **pre-recorded announcer’s warning** and **introduction** set the mood and open the show
- **Fire-Eating** – The show often begins with **fire-eating** performed to music to grab the audience’s attention
- **Blockhead** – A light comedic act, the “**Human Blockhead**” is designed to keep the audience’s attention, build up tension, and make the audience **squirm** and **laugh** at the same time while providing **comic relief**.

- **Sword Swallowing** – Part **educational**, part **motivational**, part **inspirational**, and **all entertaining**, the sword swallowing segment describes the **history** of sword swallowing, exposes **fake gaffs** and **cheats**, reveals the ins & outs, the secrets of sword swallowing, explains where the sword goes within the **anatomy** of the human body, and demonstrates the art of sword swallowing using a variety of swords, beginning with **short daggers**, and working up to **longer swords** and/or multiple swords if desired, before closing with an **audience volunteer finalé**.
- **Message** – While still holding the audience’s attention, a **penetrating Christian message** is delivered with **sinner’s prayer** or **decision call** before turning the program over to the pastor, youth pastor or Upward Director.
- **Finale** – An “**encore**” **finalé** can be used to end the show on a **high note**
- **Pre-recorded closing announcement** and **closing music** – If desired, in lieu of closing announcement and music, the focus of the program can be turned back over to the pastor, youth pastor or Upward Director.

# THE FEATS

## THE FEATS

The feats presented are **extremely difficult**, pose a certain **risk of danger** to the performer, and require **highly specialized skills** to perform and years to master. Dan is a trained **professional** with years of training and experience behind each feat, and he performs these feats for the **motivational** and **inspirational impact** they provide to the audience.

These feats should never be attempted by anyone but a trained professional, and **warning disclaimers** stating such are stated in the prerecorded **introduction**, the closing **outtro**, and are **repeated several times** during the show.

**Physical acts** may include, but are not limited to the following:

- **Fire-Eating** – Set to music, performer transfers flames from torch to tongue, from tongue to torch and extinguishes the torches by putting the flame out in his mouth. (**Note: Fire-EATING only creates a small flame about 3"-5" in height, not much bigger than the flame on an altar candle.**) [Watch Video](#)

- **Fire-Breathing** – Performer blows bursts of flames from the mouth using an accelerant. (**Note: Fire-BREATHING is EXTREMELY DANGEROUS, and is NOT OFFERED as a regular part of the show. If desired, it must be specifically negotiated on SPECIAL REQUEST in CONTROLLED CIRCUMSTANCES UNDER SPECIAL SUPERVISION ONLY.**)

- **Blockhead** – Comedy act using members of the audience to confirm the props are **real** and provide some **comic relief**, performer pounds a spike nail into his nostril with a hammer, followed by an ice-pick or awl, and/or may run an electric power drill into his head.

- **Glass-Eating** – After demonstrating that the lightbulb is real by illuminating it in a light socket, performer proceeds to break and eat a glass lightbulb (*on special request only*). [Click to watch video of glass-eating](#)

- **Sword Swallowing** – Performer swallows an assortment of **swords** and other objects starting with short **dagger**, and working up to **longer blades**, including **bayonets, sabers, rapiers**, and a variety of other swords. **Audience participation** is employed to confirm the swords are real, and if desired, the **host, event leader**, local celebrities, or audience members may be recruited to remove the sword from the throat by hand, or for the **ultimate encore finalé, by WHIP from 8 feet away!**

## SAFETY

Dan is glad to work closely with event coordinators to create a **fun, relaxed** environment, yet carefully maintain a **safe** performance environment for performer and audience alike. With **multiple warnings** of the dangers stressed repeatedly before, during and after the show, the audience learns that the feats are **NOT** to be attempted at home and the event host is reassured of a **safe, professional show**.

## BOOK IT TODAY!

Book your show **TODAY** - before **YOUR** date gets booked - so you too can treat your Upward kids to the **most unique Christian entertainment!**

## IMPORTANT!

When looking for a unique entertainer for a church, Upward, or Christian youth event, it's important to find an act that's **clean, entertaining, professional** and **experienced** in front of **church** and **youth** audiences. You're not just paying for the show, but for **peace of mind**. After all, if the performer offends someone in your audience, it makes **YOU** look bad!

Clean wholesome performers typically cost more than "club" performers. This is because good quality wholesome entertainment for a church youth audience is much harder to find than the average nightclub performer.

Your job is to **hire an entertaining act with wide appeal** that **won't offend** your audience, but **will reach both kids and adults**. There are thousands of club performers across the country, but only a few who can put on a **compelling wholesome family show** that will entertain **both kids AND adults**.

Performers who **risk their lives** to perform **specialized feats** involving **physical danger cost more** other non-specialized run-of-the-mill performers due to the special **skills, risks** and **dangers involved**. With less than a few dozen true sword swallows left in the world, unique quality acts like this are few and hard to find.

God demands that we strive for excellence. To get the **BEST results**, you need **TOP quality**. To get **top quality**, the **TOP in the field**, the **best** always comes with a **price**, but the **results**, the **value**, the **return on your investment is well worth it**.

If you want a **one-of-a-kind PERFORMER** who can **ENTERTAIN** both **kids and adults** with **cutting edge FEATS**, and a **Christian SPEAKER** who can **REACH both kids and adults** with a **PIERCING MESSAGE**, you've found the right combination!

There are only a few dozen sword swallows left in the world, but **ONLY ONE Christian Sword Swallower** who provides **top-notch entertainment** with an **EDGE**, and a **powerful Christian message** with a **POINT** - a show your audience will **NEVER forget** - *Cutting Edge Innertainment!*

## Package includes:

- Fully realized **performance** including **costume, props, background music, scripted dialogue, specialized stunts**, and inspirational **message**
- Reasonable number of **pre-show promotional interviews** to promote your show

- CEI provides its own **specialty equipment** and **props** necessary for local shows (for shows requiring travel, some minor incidentals may be requested)
